Introducing ... a Matching Gift Program for donations to UL's Moody College of Business Administration

Effective immediately, donations for the benefit of UL's Moody College of Business Administration (Moody COBA) may be eligible for a 1-to-1 matching gift from the Moody Family Foundation. This matching gift program is available for endowment gifts made to UL in support of the Moody COBA.

For example, if a donor wants to establish a \$20,000 endowed scholarship or faculty development fund for the Moody COBA, a \$10,000 gift would be eligible for a \$10,000 match from the Moody Family Foundation. If a donor wants to establish a \$100,000 endowed First Generation Scholarship or an endowed Professorship for the Moody COBA, the donor can do so with a gift of \$30,000: that gift would be eligible for a \$30,000 match from the Moody Family Foundation as well as a \$40,000 match from Louisiana's Board of Regent's Support Fund to round out the \$100,000 endowment. A person who is employed with or retired from a company that has a corporate matching gift program can use their company's matching gift to further leverage their gift.

Furthermore, a donor can select the name that will forever be carried by his or her endowment fund for the Moody COBA -- the Moody Family Foundation has agreed to allow the initial donor to keep the full naming rights for any endowment that is created with the assistance of this matching gift program.

UL and its business college is very grateful to the Moody Family Foundation for this matching gift program. The program does have a maximum amount that will be matched, so please contact UL's development office at (337) 482-0922 to learn how you can take advantage of this generous matching gift offer.
